

# Annual Comprehensive Service Contract for the Little Dipper Processor

Cat. #1080-01-6

## Terms and Conditions

The Annual Comprehensive Service Contract for the Little Dipper Processor provides protection for 12 months from date of contract purchase and covers the costs of:

- up to two on-site repair calls per year
- one preventative maintenance visit per year
- software upgrades
- replacement parts (excluding baths and accessories)
- If factory repairs are required, a “loaner” instrument will be provided.
- If the instrument is unable to be repaired, as determined by SciGene, a new instrument will be offered for purchase at a special price.
- The Service Contract does NOT cover damage caused by operator misuse, abuse or negligence.

*Effective November 01, 2016*
